Public Works Department
HAND DELIVERED

Subject: WATER SERVICE INTERRUPTION
Lake Road & Everett Intersection Improvements
City Project: T1011

Dear Everett Street Area Resident –

**YOUR WATER SERVICE WILL BE INTERRUPTED ON TUESDAY
AUGUST 4, BEGINNING AT 8:30 A.M. AND ENDING ABOUT 4:30 P.M.**

We are working with our contractor, Clark & Sons, Inc. to complete the Lake Road & Everett Street Intersection Improvements this fall. Part of that effort includes installation of a new waterline through the intersection. After consultation with Camas Water Department Staff, this scheduled time and date have been determined to minimize water distribution and supply impacts throughout Camas. The contractor attempted to do this work last week, but unfortunately there was a mix-up with the delivery of the required parts. Once this connection is completed, we don't anticipate the need to shut-off your water again for this project. Thank you for your patience and cooperation during this important work.

**WITH THIS IN MIND, PLEASE COLLECT AND STORE A SUFFICIENT AMOUNT
OF DRINKING WATER IN ADVANCE OF THIS WORK ON MONDAY EVENING.**

We suggest filling several pitchers with drinking water and filling your bathtubs with water to use for flushing your toilets. Also, remember you will not be able to operate your washing machine or dishwasher. If you have plants to water, please do so prior to 8:00 A.M. on Tuesday.

If you have any comments or questions, please call me at 360-817-7234 or e-mail me at jhodges@cityofcamas.us. Please leave me a message, and I will return your call.

Sincerely,

James Hodges
