

## Residential Utility Assistance Payment Plan

Finance Department

I am experiencing financial hardship as a result of the COVID-19 pandemic and I am requesting additional time to pay my utility balance.

I agree to make regular partial payments and if I become unable to make the payments as arranged under this plan, I will contact the City immediately to discuss amending the plan.

I understand that utility charges will continue to accrue while on the payment plan, so I should opt for payments as large as I can afford in order to limit the balance accruing on my account.
