B. Exchange Agreement with Zayo Group, LLC Details: The Camas School District (CSD) asked that a conduit be installed on Leadbetter Road with the North Shore Sewer Transmission System project so the district's internet provider, Zayo Group, LLC (Zayo), could install fiber optics to the new Lacamas Lake Elementary School. City staff sought permission from Zayo to use a portion of the fiber optic line to interconnect the three North Shore sewer pump stations, allowing the pump stations to communicate via fiber. The pump station lines will not be connected to the school district's system, or the internet and will be strictly used for communication between the pump stations. Zayo has asked the City to sign an Exchange Agreement, which recognizes the mutual benefit of Zayo having access to the City's conduit and the City having access to a portion of Zayo's fiber optic line. The agreement includes two exhibits showing the dollar value Zayo is receiving from using the City's conduit and the dollar value the City is receiving for the use of Zayo's fiber, which are of equal value, so no amount is owed by either party. The Exchange Agreement has been reviewed by Public Works, Finance and the City Attorney.

Through an interlocal agreement, CSD retains a police officer to act as the SRO at the middle and high schools. CSD pays the City a portion of the officer's salary. THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

A new Section 10.24.070 of the Camas Municipal Code is hereby adopted to provide as follows:

CMC 10.24.070: Helmet Required.

No person shall operate or be passenger on a bicycle, in-line skates, roller skates, scooter, unicycle, or skateboard in or upon any public area within the city unless he or she is wearing a protective helmet. The helmet shall have either a neck or chin-strap which is securely fastened while the bicycle, in-line skates, roller skates, scooter, unicycle, or skateboard is in motion.
- B. A parent or guardian shall be responsible for requiring that a child under the age of 18 years wears a helmet, with the neck or chin-strap fastened securely, while that child is on a bicycle, in-line skates, roller skates, scooter, unicycle, or skateboard in any public area of the city.
- C. A police officer observing a person operating or riding as a passenger on a bicycle, in-line skates, roller skates, scooter, unicycle, or skateboard, in violation of the section, may stop and detain such person for the purpose of establishing identity and issuing an appropriate warning or citation.
- D. A person is exempt from the requirement to wear a helmet under this chapter, if wearing the helmet would violate a religious belief or practice of the person.

- E. "Helmet" means a head covering designed for safety that meets or exceeds safety standards adopted by the Consumer Product Safety Commission (CPSC) or such subsequently nationally recognized standards for helmet performance. In the absence of an applicable CPSC standard, the head covering must meet or exceed the current standards adopted by either the American Society for Testing Materials (ASTM) or the Snell Foundation until such applicable CPSC standard exists or such subsequently nationally recognized standards for helmet performance is adopted. The helmet must be equipped with either a neck or chinstrap that shall be fastened securely while the wheeled-vehicle is in motion.
- F. Any person, including a parent or guardian, violating any of the provisions of this chapter shall have committed a civil infraction and shall be subject to a monetary penalty not to exceed \$50.00.
 - (1) If a child in violation of this chapter is 11 years of age or younger, any citation issued shall by issued to the parent, legal guardian, or adult with custody or temporary custody, rather than to the child.

 - (3) The court may waive, reduce or suspend the civil penalty and clear the civil infraction as a warning for a person who has not been cited under this chapter within the previous three-year period from the date of the current infraction and provides proof that he or she has acquired an approved helmet at the time of appearance in court.

AN ORDINANCE adopting Chapter 69.50 RCW set forth in the Revised Code of Washington.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CAMAS AS FOLLOWS:

Section I

There is hereby added to Chapter 9.36, Subsection A of the Camas Municipal Code a new adoption to provide as follows:

9.36.010(A)(153). All Chapter 69.50 RCW offenses, as adopted or as hereinafter amended, for which the penalty is either a misdemeanor or gross misdemeanor.

Section II

This ordinance shall take force and be in effect five days from and after its publication according to law.

ORDINANCE NO. 18-005

AN ORDINANCE of the Council of the City of Camas authorizing the adoption of rules associated with charges for providing public records pursuant to RCW 42.56.120(2)(b).

WHEREAS, Revised Code of Washington (RCW) 42.56, Washington's Public Records
Act (Act) allows the public to request nonexempt public records from the City; and

WHEREAS, while the Act precludes the City from charging a fee for inspecting or locating public records, it does allow the City to charge a reasonable fee for the copying of records; and

WHEREAS, since the Act's adoption in 1972, the use of technology has resulted in many public records stored in an electronic format for which a copying fee was not expressly authorized; and

WHEREAS, with the passage of Engrossed House Bill (EHB) 1595 during the 2017 regular session, the Washington State Legislature authorized the imposition of a fee for the provision of records in an electronic format and a customized service charge when expertise is required to compile data or when customized access is necessary to provide requested records; and

WHEREAS, in 2017 the Washington State Legislature amended Chapter 42.56 of the Revised Code of Washington adding new requirements for agencies using the statutory default copy fee schedule and for agencies determining the actual cost for providing copies of public records; and

WHEREAS, the Washington State Legislature amended RCW 42.56.120 at Chap. 304, 2017 Laws, Sec. 3 to require that effective July 23, 2017, an agency need not calculate the actual

costs it charges for providing public records if the agency has rules or regulations declaring the reasons for doing so would be unduly burdensome; and

WHEREAS, to the extent an agency has not determined the actual cost of copying public records, an agency may use the statutory default copy fee schedule set forth in RCW 42.56.120; and

WHEREAS, funds were not appropriated for performing a study to determine actual copying costs; the City lacks the necessary funds and staff resources to conduct a comprehensive study to determine its actual copying costs; and to conduct such a study would interfere with the City's other essential agency functions; and

WHEREAS, through the 2017 legislative process the public and requestors of public records have been informed of and have commented on authorized fees and costs, including for electronic records, provided in RCW 42.56.120(2)(b) and (c), (3) and (4).

THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

Pursuant to RCW 42.56.120(2)(b), the City Council of the City of Camas makes the following findings:

Findings. The City finds as facts that calculating the actual cost of providing public records would be unduly burdensome because funds were not allocated for performing a study to determine actual copying costs; the City lacks the necessary funds and staff resources to conduct a comprehensive study to determine its actual copying costs; and to conduct such a study would interfere with the City's other essential agency functions. The City further finds as a fact that this ordinance is necessary for the support of the City of Camas and that it is in the public interest to adopt this ordinance in order to preserve and update fees in accordance with the legislatively adopted schedule.

Section II

Pursuant to the findings as set forth herein, and as provided under RCW 42.56.120(1)(b), the City shall not calculate the actual cost for the copying of public records, which charges shall be reflected in the City of Camas fee schedule, consistent with the charges as set forth within RCW 42.56.120(2)(b)(i-v), as may be amended.

Section III

This ordinance shall take force and be in effect five (5) days from and after its publication according to law.
