

Monthly Investment Report

As of November 30, 2024

This report presents the City's investment portfolio as of November 30, 2024. It includes all investments managed by the City on its own behalf. The report provides information on the institution, investment type, purchase and maturity date, value, yield for each security. As of November 30, 2024, the investment portfolio complied with all State laws.

Current Portfolio Summary. Short-term excess cash is currently invested primarily in the Washington State LGIP and in the Clark County Investment Pool. Both investment pools are very high-quality investments in terms of safety and liquidity. The Clark County Investment Pool is longer in average duration than the Washington State Local Government Investment Pool and therefore the current yield is higher on the Clark County Investment Pool than the LGIP. The City will maintain balances in both pools and monitor rates.

The City also has 97% of its investments longer term in federal agency securities this allocation. The total federal agency securities have an unrealized loss as of November 30, 2024 of \$1,291,404.00. An unrealized loss is the amount of funds the City would not receive if the City sold the securities on the reporting date. In other words, the market price on the report date was lower than the price the City purchased the securities at.

The City also has a second investment portfolio for the bond reserve funds for 2015 Water-Sewer Revenue Bond. These proceeds were invested in the Clark County Pool and in federal agency securities. This portfolio has an unrealized loss of \$10,836.21. These securities have longer maturities due to the long-term nature of the reserve fund of twenty years.

The City issued limited general obligation bonds in 2018 and has invested the remaining of the proceeds in the LGIP. These remaining bond proceeds will be spent in 2024.

The 2019 revenue bonds for the City's water infrastructure projects and invested the proceeds in a fourth portfolio. These proceeds are in the LGIP.

The City issued limited general obligation bonds in 2020 and has invested the proceeds in the LGIP. Most of these proceeds were spent with the remainder to be spent by the end of 2024.

The City issued limited general obligation bonds in 2023 and has invested the proceeds in the LGIP. These proceeds will be spent by June of 2025.
