READING TRACKER

How to collect cards:

- Mark 1 square on the tracker for each day you read.
- Once you've completed 4 days of reading (a full row), you can bring your tracker to the Library and pick out your cards!
- For each row you complete, you will get a set of 4 matching cards: an egg, baby, teen, and adult dragon.

- You can only earn 4 sets of cards each month, but don't let that stop you from reading more!
- Lost cards cannot be replaced.

GAMES

Rock, Paper, Scissors, War!

Play this when you have several dragon cards. Make sure you write your name on your cards so you can get them back at the end of the game.

How to Score:

- Red beats Green
- Green beats Blue
- Blue beats Red

- Mix up the cards and divide them evenly between 2 players.
- Place your stack of cards face down on the table.
- Each player draws the top card on their stack and flips it over at the same time.
- If you have the same color, the oldest dragon wins.
- If your dragons are the same age then you go to war:
 - To go to war, add 2 cards face down to the pile, then play 1 more card face up.
 - If you have the same color, the oldest dragon wins.
 - If you tie again go to war until there is a winner.
 - The winner adds both cards to their win pile.
 - Play until you run out of cards.
 - The player with the most cards in their win pile wins.
