# Celebrating the past and the present

Wow, what a year! 2023 certainly was one for the books. We celebrated our centennial throughout the year and managed to squeeze in some other history-making events as well. Just a few of the ways we celebrated our 100th year included:

- 100 Book Challenge
- 100 Word Story Contest
- 1920s Murder Mystery Party
- Birthday Party on April 4
- Camas Days Parade
- Digitization of the Virginia Warren collection
- *History Speaks!* Series
- Memory Library
- Second Story Gallery exhibits
- Time Capsule

While we celebrated the past, we continued to offer the recurring, popular services that make the Camas Public Library the heart of this community. No doubt about it, this was a year we won't soon forget.

Patrons enjoy the interactive exhibit at the Second Story Gallery in April.
