What to do with my eggs:

- Make sure you **open ALL of your eggs to see if you have a prize token**. Eggs are filled with candy (some including nuts), toys and prize tokens. This year's prize tokens are quarter-sized colored plastic tokens that are printed with "Turn in for PRIZE" on one side and "Camas Parks & Recreation" on the other side. You'll turn in each token for a prize at the Prize Token Turn-in Line (see map).
- Recycle your eggs in the collection cans nearest your egg hunt area. We will reuse them for next year, reducing waste and keeping our event expenses down.
- Open eggs **before** you enter the Prize Token Turn-in Line.

Easter Bunny (12:30 - 2:30PM) - Scout Hall (wood-sided building):

- The Easter Bunny will be available for photos at Scout Hall before and after the egg hunt. Easter Bunny will take breaks as needed (bunny snack break, of course!)
- Expect long lines. Please be patient.
- Bring your camera or cell phone for photos. Staff and volunteers will be available to assist in taking photos.

Bonnet/Hat Contest (2:00PM - East of Metal Shelter):

- All ages welcome! Ages categories judged: 2-3; 4-5; 6-7; 8-9; 10-12; 13-17; 18 & older.
- Hats and bonnets will be judged on hand-crafted/decorated originality and creativity.
- All participants will receive a ribbon and a small treat bag. Winners will receive additional prizes.

Other Tips and Rules:

- If you become separated from your parent/guardian or child, or if you find a misplaced child, please come to the Metal Covered Shelter (see map). We will make an announcement over the PA system.
- Be patient. Be courteous. This is a large family event for our community.
