(503) 489-8445

Age: 6-11

Price: \$215 per session

Register for AM and PM sessions
for a full-day camp experience

Week 1

LEGO Astronauts

Students spend the week preparing for a space mission, with LEGO challenges and cosmic exploration.

Mon-Fri

6/17-6/21

9am-12pm

LEGO Architects

Young builders explore the world of design and construction, bringing their architectural dreams (bridges, buildings, castles, towns) to life with colorful LEGO bricks.

Mon-Fri

6/17-6/21

1pm-4pm

Week 2

LEGO STEM Explorers

Embark on a week-long STEM journey with imaginative LEGO builds, games, and hands-on projects. Join us for fun, friendship, and the joy of learning with LEGO!

Mon-Fri

8/19-8/23

9am-12pm

LEGO Inventors

Students tackle real-world problems using LEGO. Become inventors through creativity, critical thinking, and LEGO magic!

Mon-Fri

8/19-8/23

1pm-4pm

Week 3

LEGO Engineers

Exploring mechanisms, fostering creativity and problem-solving skills. Dive into the world of moving machines!

Mon-Fri

8/26-8/30

9am-12pm

LEGO Game Design Challenge

Become game developers, crafting games and competing in a week focused on teamwork, communication, and problem-solving. Integrate STEAM principles for essential skills!

Mon-Fri

8/26-8/30

1pm-4pm
